PRINCIPAL'S MESSAGE

Dear Students!

It's my pleasure to welcome you all to the most exciting and rewarding phase of your life. College education marks a transition from the controlled

environment of the school to

an autonomous & free environment of college. This autonomy and freedom further demands self discipline and a sense of responsibility on your part.

It is a matter of pride for us that our institution is responding well to new scenario of education bringing out the positive change and producing not only eminent academicians, outstanding sportspersons and cultural ambassadors but at the same time good human beings. This institution provides quality education by equipping students with skills, confidence and positive approach with an all round personality development. Beautiful widespread campus and academic environment nurtures creativity and leadership qualities amongst students for their overall development.

Govt. College Nerwa, all along its journey has strived towards excellence with the help and cooperation of the competent & well experienced faculty, non-teaching staff, parents, students, local administration and well wishers. To all of them, I convey my sincere thanks and profound appreciation with an ardent hope that they will ever continue to support and stand by the institution. Though this college is located in a far flung rural area of Shimla, yet we indeed are fortunate to boast a faculty and staff who are not only immensely talented but also deeply committed for the success of our students. Working with such an inspiring, dedicated, and devoted team fills me with a sense of privilege.

We look forward to welcome the aspirants of higher education to this institution and help them to shape their future and to turn their dreams into reality.

"With Best Wishes & Blessings"

Dr. H.L. SHARMA
Principal

ABOUT THE COLLEGE

Nerwa, nestled in the Shimla district of Himachal Pradesh within the Chopal constituency, is a picturesque locale cradled by the majestic Churdhaar Peak. Surrounded by snow-capped summits and vibrant villages, it sits at the feet of the rippling Shalvi River, with Uttarakhand's peaks on the opposite side.

Government College Nerwa, formerly S.D. College, stands amidst a scenic pine forest and serves as a beacon of higher education. The state government took over the institution on June 13, 2002. Initially operating from the old S.D. College building, the college moved to a new state-of-the-art campus in September 2017, inaugurated by then Chief Minister Sh. Virbhadra Singh. Spanning over 40 bigha of land, the new campus is easily accessible by road and features a large parking area.

The college boasts modern infrastructure, including well-equipped laboratories, IT lab, library and various sports facilities such as a gymnasium, badminton court, volleyball court, and table tennis room. Students can also enjoy college's large playground and canteen facilities. With spacious classrooms and a large examination hall, the college provides an ideal environment for academic pursuits.

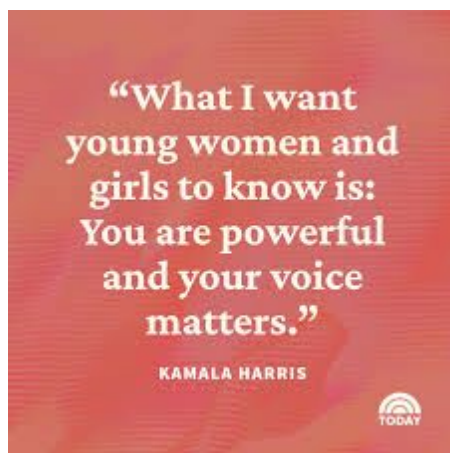

Renowned for its distinguished faculty in Arts, Commerce, and Science, Government College Nerwa attracts students from nearby regions, including Uttarakhand and Nepal. The institution is dedicated to serving society through quality education, cultural activities, sports and NSS initiatives.

CHOICE BASED CREDIT SYSTEM (CBCS)

Education plays a pivotal role in nation-building, and India boasts a multitude of educational institutions dedicated to imparting knowledge. Many institutions have transitioned to the semester system to align with international standards. However, the current educational landscape is witnessing a shortfall in equipping young individuals with adequate knowledge, confidence, values, and skills. This discrepancy may stem from the traditional education system's oversight regarding the interconnectedness of education, employment, and skill development. Addressing this pressing issue necessitates not only innovating the education system but also adopting a learner-centric approach and implementing globally recognized assessment methodologies.

The Government of India, through the Ministry of Human Resource Development, has embarked on the development of a National Education Policy (NEP)-2020 aimed at revamping the Indian education system. The University Grants Commission (UGC) has taken a proactive role in shaping the National Education Policy, overseeing its implementation and fostering higher education across the nation. UGC has initiated various measures to enhance equity, efficiency and academic excellence within the national higher education framework. Key initiatives include the innovation and enhancement of curricula, the introduction of transformative shifts in teaching and learning methodologies and reforms in examination and educational practices.

The majority of Indian higher education institutions rely on a grading system based on marks or percentages, restricting students' flexibility in selecting subjects/courses and their mobility across institutions. To foster flexibility and cater to students' diverse interests and aspirations, the education system must transition towards a choice-based credit system (CBCS), as recognized internationally. CBCS enables students to choose interdisciplinary, intra-disciplinary, and skill-based courses, fostering holistic development. The implementation of CBCS will facilitate aligning our degree programs with global academic standards, thereby enhancing the quality and relevance of modern education.

OUTLINE OF CHOICE BASED CREDIT SYSTEM

1. **Core Course:** 4 Discipline Specific Core Courses (DSC) (2 per subject) and 2 Courses of English and Hindi/Sanskrit in B.A./B. Com). The papers under this category will be taught uniformly across all universities with 30% deviation proposed in the draft. Fixing core papers ensures that all the institutions follow a minimum common curriculum so each institution/university adheres to common minimum standard. Also, the course designed for papers under this category aims to cover the basics that a student is expected to imbibe in that discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 Discipline Specific Elective (DSE) Course (2 each for regular courses)

Elective courses offered under the main discipline/subject of study are called Discipline Specific Elective. The List provided under this category are suggestive and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

2.2 Generic Elective (GE) Course (2 each for B.A. /B.Com. regular courses)

Elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The List provided under this category are suggestive and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be called Generic Elective.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AEC) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; (i) Environmental Science, and (ii) English/Hindi/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/Hindi Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC) (4 for regular courses)-. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses provides students Life-skills in hands-on mode to increase their employability. The List provided under this category are suggestive and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

3.3 Practical/tutorials (One each with every core and discipline/generic specific elective paper)-. The List of practical provided is suggestive and each university has the freedom to add/subtract/edit practical from the List depending on their faculty and infrastructure available. Addition will however be of similar nature.

PROBHITED**

CREDIT SCHEME UNDER CBCS

1. An Undergraduate degree in Humanities/Social Sciences/Commerce may be awarded if a student completes 4 core courses each in two disciplines of choice, 2 core courses each in English and Hindi/MIL, respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC), 2 courses each from a list of Discipline Specific Elective courses based on the two disciplines of choice selected above, respectively, and two courses from the List of Generic Electives courses.
2. An undergraduate degree in Science disciplines may be awarded if a student completes 4 core courses each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 courses each from a List of Discipline Specific Elective courses based on three disciplines of choice selected above, respectively.
3. For computation of work-Load the following mechanism may be adopted: i) 1 Credit = 1 Theory period of one-hour duration per week, ii) 1 Credit = 1 Tutorial period of one-hour duration per week, and iii) 1 Credit = 1 Practical period of two-hour duration per week.

Use of mobile is not allowed in the class

FACILITIES AND ACTIVITIES IN THE COLLEGE

LIBRARY

To facilitate students to get access to the latest knowledge, the college has a fairly well- stocked library containing an ample number of books. The students and the faculty members can judiciously use these books and enjoy reading. **To get access to the library the students must follow these instructions:** (i) Students have to deposit Rs. 100 as Library Security Fund, at the time of admission. (ii) The Library security is refundable after the completion of one year of the course. (iii) identity-cum-Library Card will be issued only when a student produces the fee receipt after the admission is done. (iv) No student will be issued books without producing the library card. (v) Books will be issued for fourteen days only. In case of late return of Library books, Rs. 1 as penalty will be charged per day, per book. (vi) Reference books, magazines and journals will not be issued as these books are required to be read in the library only. (vii) Students must maintain the sanctity of the library by diligently observing the golden rule of silence. (viii) Every student must keep the Identity-cum-Library Card safe throughout the session. (ix) A fee of Rs. 20/- will be charged for duplicate identity-cum-Library Card.

SPORTS

The college provides facilities of athletics and various games like Cricket, Volleyball, Kabaddi, Badminton, Kho-Kho, Gym, etc. The students are encouraged to participate in these games to shape their overall personality & general development.

NATIONAL SERVICE SCHEME (NSS)

The college has one NSS Unit and one needs to render **24 hours of service** to get a certificate of service volunteer. Participation in seven day Special Camp is an essential part of NSS. Interested Students must fill up the NSS form to be a part of the college NSS unit.

IT LAB & CONFERENCE ROOM

The college has its own well-equipped Information Technology (IT) Lab. The Lab has 30 desktop computers connected with an internet facility. The conference room has a capacity for 40 persons at a time and it is connected with a modern projector.

WOMEN DEVELOPMENT CELL

The college has established a Women Development Cell. The objective of this cell is to address the grievances related to gender biasness and sexual harassment in relation to female community of the college, comprising teaching, non-teaching and students.

Note: Eve-teasing is an offence and is punishable under the law.

EXTRA CURRICULAR ACTIVITIES

The college encourages students to participate in extra co-curricular activities for their optimum development such as Dance, Quiz, Speech, Paintings, Poster Making, and Slogan Writing etc. Thus, the students are prepared to participate in university competitions.

RAGGING

Ragging includes individual or collective acts or practices which involves physical or psychological assaults or use of forced restraint. Ragging exposes students to ridicule and contempt and affects their self-esteem. It is a heinous crime and is an insult to humanity. It entails verbal abuse and aggression, indecent gestures and obscene behaviour. It encourages enmity and hatred. The student's only purpose should be spreading happiness and creating a healthy and peaceful environment rather than encouraging hatred.

PROHIBITION OF RAGGING

Ragging inside and outside the college campus is banned by law. So, no student shall practice ragging in any form within or outside the premises of the college.

As per the directions of the Hon'ble Supreme Court of India, ragging is a punishable offence.

Any student found indulged in ragging shall be expelled from the college and an FIR will be registered against him/her. The erring individual shall not be admitted in any other college/educational institution for three years from the day/date of order of expulsion.

Note: In case of ragging the student (he/she) may contact immediately the anti-ragging committee of the college.

Ragging is Strictly Prohibited
